Zenith Investment Partners Research Team

Our 19-strong research team is led by Group Head of Research, Grant Kennaway, who is supported by sector heads Dug Higgins, Mano Mohankumar, Quan Nguyen and Rodney Sebire.

Grant Kennaway

Group Head of Research

BA, Dip FP, PGDipMgmt, MBA

Grant is the Group Head of Research, responsible for leading the delivery and expansion of the combined investment and superannuation fund research programs for financial advisers and platforms across Australia.

Grant brings extensive experience in asset management, investment research, and consulting, having worked both in Australia and internationally.

Prior to joining Zenith, Grant was the Global Head of Manager Selection at Morningstar, where he oversaw the development of investment solutions across asset classes. He also spent over a decade at Lonsec, holding senior roles such as General Manager of Research and Head of Managed Funds Research.

Grant holds a Bachelor of Arts from the University of Melbourne, a Diploma of Financial Planning, a Postgraduate Diploma in Management from Melbourne Business School, and an MBA from Deakin University. He is based in Zenith's Melbourne office, where he leads a team of 20 experienced analysts across the Zenith and Chant West brands.

Joined November 2024

Dug Higgins

Head of Income Research & Head of Sustainability

AdvDipRurBusMgt, BBus & AAICD

Dugald is Head of Income Research & Head of Sustainability for the broader Zenith Group. He has overall responsibility for the development and incorporation of key services across Zenith's and Chant West's investment and super fund research, portfolio solutions and corporate divisions regarding responsible investment practices, including the Group's own activities as a corporate citizen.

He is also Chair of the Group's Responsible Investment Committee and a member of the FE fundinfo global ESG Committee. Dug also is the Sector Head for Real Assets, with 20+ years of experience in private market real estate, infrastructure and natural capital.

Joined February 2009

Zenith Investment Partners

Stephen Colwell
Deputy Head of Equities
CFA, BCom (Acc&Fin)

Stephen's research coverage spans Australian and global equities related products.

Prior to joining Zenith, Stephen was a financial adviser at a leading financial services firm where he provided strategic advice and portfolio management expertise to a diverse client base. Stephen was also an integral member of the firm's investment committee which managed a range of model portfolios. Prior to this, Stephen worked as an accountant specialising in corporate tax advisory.

He is a CFA® Charterholder and holds a Bachelor of Commerce (Accounting & Finance) from Monash University.

Joined January 2018

Dan Cave
Deputy Head of Income Research
BBus (Eco&Fin), AdvDipBus (Mktg), DipFinPlan

Dan Cave is Deputy Head of Income Research in Zenith's Research team, with responsibility for income research across Zenith's APL, particularly the private markets and real assets sectors. Previously, he spent three years at Frontier Advisors as a Senior Investment Consultant on the real assets team, conducting manager research and advising institutional clients on private infrastructure. This is Dan's second tenure with the Zenith business, having spent six years in the Research team focused on the fixed income and real assets sectors, most recently as a Senior Investment Analyst and sector lead for real assets.

Prior to initially joining Zenith in 2017, Dan worked as a financial adviser at a leading wealth management firm where he provided strategic advice across investments, superannuation, insurance and retirement strategies. He returned to the business in June 2026.

Dan holds a Bachelor of Economics and Finance degree from RMIT University.

Joined February 2017

Jock Allen
Senior Investment Analyst
BBus (Fin&Ec)

Jock commenced with Zenith as an Associate Investment Analyst in 2019. Prior to joining Zenith, he worked as an Analyst at Qato Capital, a Melbourne based investment manager, helping to build out their quantitative, fundamentally focused investment strategy.

He gained exposure to financial planning through his initial entry into the financial services industry as a Client Services Officer at Bridges Financial Services.
